

INVITATION TO OUR KS2 READ, SHARE AND REVIEW DAY

Friday 23rd November 2018 2:30-3:00 PM

The children in all KS2 classes (Years 3-6 only) would like to invite you into school to for Homefield's Read, Share and Review Day.

This time we are combining it with a showcase of the Science learning that the pupils have been working on for three weeks. Again, it is a good opportunity to hear your children speak positively and proudly about their learning in school so far this year.

You will be able to look through all the fantastic work they have been completing, as well as get an understanding of what the next steps in their learning will be.

If you have a child in more than one Junior class, please feel free to go between the classrooms to see what your children have been doing.

As an additional element, the Science work that Years 1 and 2 have been working on will be arranged in the Hall for parents to see.

Remember you are free to arrive after 2:30 if that is more convenient.

We look forward to seeing you there.
Thank you.
