Dear Parents/Carers,

10.11.17

Next week, our Caring Crusaders and School Council have decided to raise awareness for two important themes: Anti-Bullying and Children in Need.

On Friday 17th November 2017, we are holding a non-uniform day in honour of Children in Need and we ask that you bring in a voluntary donation of a pound. In honour of Anti-Bullying, pupils are asked to also come to school wearing odd socks of any style, colour, brightness or pattern. Make sure you don't hide them, because we want to see them.

During the day, pupils will undertake some activities in order to raise the profile of these two causes and enable some reflection on the importance each play in supporting so many children across the country and wider world.

We hope all pupils participate willingly and we are able to contribute our valuable part to both causes.

Yours sincerely,

Caring Crusaders and School Council
