

Maths

The first part of our first half term is spent revising, ready for the upcoming SATs. After SATs we dive deeper into the wonderful worlds of geometry and statistics

English

In English this term we will be focusing on discussion and persuasive genres. Furthermore we shall also be polishing some writing we completed earlier in the year ready for the writing assessment deadline in June.

Religious Education

Our first 'Big Question' is: How do Hindus celebrate their faith?
In the second half term we attempt to answer the difficult question of: Why is there suffering and is violence ever right?

PSHE

For the first half term children will be completing e-safety lessons using the Gooseberry Planet software. In the second half term children will complete a RSE week (8th July); a letter with more information will be sent home nearer the time.

Physical Education

In indoor PE will be studying handball.
In outdoor PE we will be practising our batting and fielding skills in cricket and rounders.
Our PE days remain the same this term:
Outdoor – Tuesday, Indoor – Wednesday.

Music

Focus on vocal skills, developing our ability to sing in harmony with confidence and accuracy.
Performing from memory, showing the skill of leading a performance.
Using advanced musical language, analyse features within different pieces of music.

Geography

We will be studying the water cycle. Answering the question 'Where does our water come from?'

History

The time period we are learning about is the Tudors. We will explore how the Tudors came into power and the infamous life of King Henry VIII

MFL (French)

TBC

Science

Living Things and their habitats
We will learn to describe how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including micro-organisms, plants and animals

Year 6 **Summer Term**
