

REMEMBRANCE SERVICE

INVITATION

Dear Parents/Carers,

The school is organising a community Remembrance event around Bradwell war memorial on **Monday 11th November 2019 at 10:45 AM.**

We have conducted this for the past three years and it has always been an extremely worthwhile event, which brought together all three Bradwell schools, the Church, the Parish Council and members of the public.

Our classes from Years R-6 will be in attendance again and we will hear some readings and prayers, see the laying of wreaths and crosses, which pupils have prepared and participate in reflecting on the important sacrifices so many made during world conflicts.

Our PTA have kindly agreed to offer coffee and teas from 10:00AM in our school hall to those parents who can support this poignant occasion with us. At approximately 10:30AM, the school and parents will walk up to the Bradwell memorial (opposite the St. Nicholas' Church) together for the proceedings to begin. The event should last about half an hour. We look forward to seeing you there.
