

Coffee and Cake with the Head

As a new step towards improving communication and links between parents and school, I would like to invite any available parents to a relaxed coffee and cake drop-in session with myself and another member of staff/Governor from **9:00-9:40 on Monday 30th January 2017.**

This is something I hope will be appealing to you and a chance for us to chat about and share things which are happening at school, such as new initiatives, ideas or events.

I am sure it will be a positive experience and a forum for the school to hear what you as parents have to say in an informal setting.

If you would like to take part in this, please let the School Office know. Numbers limited to 20.

If this proves a success it is something I would like to put in place on a regular basis, so if you miss out this time, there will be future opportunities.

Coffee and Cake will be provided.
