

# School Action Plan

## Child Copy

How can we make our school better?

- **Help our new Governors feel more confident in their knowledge of the school.**
- **Improve how teachers assess us in our favourite subjects so that they can let us know how we are getting on.**
- **Make sure that we show we are more active in our lessons and improve our future aspirations.**
- **Make sure that the quality of our Writing improves across the school, whilst still ensuring our Maths keeps getting stronger.**

What are we going to do?

- **Have more ways in which Governors can find out even more about what we are doing and how well we are doing it.**
- **Help our teachers to make our subjects even better.**
- **Help us to learn the important skills of different subjects, so we can show how strong we are at using them.**
- **Push ourselves to be thirstier for learning in our lessons and to be more aware of why we learn the things we do.**
- **Introduce a way to help us get better at spelling words.**
- **Increase the desire for pupils to want to do well in school and aspire to get a successful career.**
- **Look at better ways of teaching writing, so that we can make it more interesting to read.**
- **Practice lots of ways at remembering key number skills more confidently.**
