Dear Parents and Carers,

29.6.20

I am pleased to be able to announce the staffing structure for September 2020. After an unprecedented year interrupted by the Coronavirus pandemic, there will not be any staff changes for the next academic year 2020-2021. Due to the enforced disruption in schooling, I am confident that all the staff have the enthusiasm and desire to ensure the return to school for all our pupils is as smooth and as safe as possible in September. To aid this further, I hope all stakeholders will continue to operate, united, as an effective and caring family. My staff have done a marvellous job this year to ensure our pupils continued to receive challenging learning to complete at home or in school during lockdown, as well as extensive support emotionally and pastorally, whenever required.

On Friday 26.6.20, The DfE confirmed that, "There is no expectation that schools should open for children, vulnerable children or children of critical workers over the Summer holiday. As a result, we will be closed, as normal, over the Summer break, returning on Monday 7th September 2020.
