Dear Parents/Carers,

2.11.20

As the weather is becoming colder and Government guidelines remain that we must ensure sufficient ventilation through the school, we feel it is important that our pupils can be stay warm in the classrooms.

As a result, Harrisons Schoolwear are going to supply us with new school fleeces (Zeco Polar). These will be navy in colour, zip-up and house the embroidered school logo. These are different to the reversible fleece/rain jackets already supplied to us.

The fleeces will be available in different sizes at a very reasonable cost of **£12.00**. These will be for the following age brackets: 2-3, 3-4, 5-6, 7-8, 9-10, 11-12 and 13.

These must be ordered directly through Harrisons on their website or via their telephone sales line on (01493) 662214. Please find the link attached for you to order directly with them.

Size guides are also accessible there. (This may not be on their website immediately)

From Thursday 5th November 2020, new Government restrictions will mean Harrisons have adapted operating procedures. Please follow the information on their website and Facebook pages.

We hope you will purchase one and enable your child to have that extra, warmer layer to wear whilst in class. If your child is in receipt of pupil premium, the school will contact you for your child's size and we will purchase one for your child.

Yours sincerely,

Mr. B. Young
Headteacher
