Family

Our Christian Vision and values are at the heart of everything we do.

We are Homefield because of what we believe and the way in which we behave.

We are firm in the knowledge that the British Values are supported by our Christian Values.

Our behaviour policy is based on **forgiveness** and **peace** with every child being given the chance to improve.

Nurture is at our heart, we show **compassion** in all we do and believe that every child can achieve.

Friendship

Our results are something to be proud of because the leaders **trust** teachers to be innovative and impart **wisdom** to our children.

Our children are well behaved and good mannered because **friendship** is at our heart - adults model, children learn.

Our school is a hopeful place, offering a second chance to those who need it and teaching children to **hope** and aspire for a better future.

Our focus on outdoor and eco-learning teaches children to be **thankful** for the world around us.

Key Strengths

We have a school that has the determination and endeavour to drive towards outstanding, using successful end of Key Stage results as our platform.

We are a family with strong Christian and British values driving our clear Christian Vision for improvement. We set goals, we work hard and we achieve them together.

Our children are calm, caring, well mannered, well behaved and work hard for us and each other.

We have a dedicated leadership team, which has clear roles that play to people's strengths.

Shine

Our strapline states that: **Together, we are a family that cares for, values and encourages all by providing opportunities to shine.**

Homefield sportsmen and women have represented the school in Gymnastics, Cross Country, Athletics, Netball, Football and more.

Our vast Outdoor Learning Area allows children to develop vital life skills and a better understanding and respect for living things.

Our Growth Mindset ('5Rs' approach) ethos generates a positive learning culture embedded across the school. We **CAN** do anything. We **ARE** resilient, ready, resourceful, responsible and reflective.

Homefield's Musical Ensemble, House Shout competition and peripatetic lessons have all contributed towards us becoming a school for musical and choral excellence.
