25th November 2020

Dear Parents/Carers,

Thank you for your continued support during this pandemic and we appreciate the efforts you have gone to adhere to the ever-changing landscape regarding COVID from different Government announcements in order to keep everyone safe. We know times are challenging, but our expectations have not diminished and we feel it necessary to politely remind everyone of what they are as we head towards Christmas.

1. All visitors to the site must wear a face covering. If you are medically exempt from wearing a mask, you must wear an exemption lanyard, which is visible, to prevent staff asking you to wear one. This is to ensure everyone's safety.
2. Please arrive on time. The staggered window is there for everyone's safety.
3. Pupils should arrive with one parent only to reduce the number of contacts we have on the site. If you have more than one child, another adult is acceptable.
4. Once your child has been dropped off and you have left the premises, please do not return to the premises to use the school as a shortcut. Our staggered arrival and departure times are there to reduce contacts and to keep everyone safe.
5. Once on the premises with your child, please ensure you head directly to your child's class line. Please do not stand with other parents at a line that is not for your child. We advise that parents stand with their youngest child, if they have more than one.
6. Pupils should be with their parent/carer and not running around bursting the class lines of other year groups, as this increases risk.
7. Please keep left on the paths and socially distance, even from other parents you are familiar with.
8. Once your child has been dropped off, please leave the premises swiftly and safely and not remain to continue personal conversations. This increases risk and parents will be politely asked to leave.

We appreciate your continued understanding.

Yours sincerely,

Bradley Young
Headteacher
