Dear Parents/Carers,

18.3.21

Our school prides itself on delivering effective, age-appropriate relationships, sex and health education (RSHE) that meets the needs of all our pupils within an inclusive and supportive learning environment; using non-biased resources. RSHE is taught by experienced and skilled staff, who are committed to preparing your child to live and learn safely in the modern world, negotiating the transition into increasing independence with the development of knowledge, values and skills to make positive, healthy and safe choices.

Recently, the children took part in some pupil voice activities. Children shared their viewpoints about the subject and made suggestions about what they would like to learn. We have taken these on board and are using them to help plan our lessons.

Another important part of our RSHE is to gather the viewpoints and thoughts of parents. Due to COVID and being in lockdown, as a school we have to adapt how we can gather parental viewpoints. Our first stage is an information video and questionnaire. After this, there will be further opportunities to discuss the curriculum. Next academic year, Government guidance permitting, we will hopefully be able to arrange parental information evenings in school to share more about our RSHE curriculum.

On our school website, you will see a dedicated page under the Curriculum tab housing some resources that may be helpful for you to read through in supporting your child with any questions or worries they may have. You will also find the new RSHE guidance, our current RSHE policy and curriculum overviews.

You will soon be sent information about how to access an RSHE information video and questionnaire. Please use this opportunity to find out more about our RSHE curriculum and to share your viewpoints. The deadline for completing the parental questionnaire is Friday 2<sup>nd</sup> April.

If you have any further questions or queries, please do not hesitate to email [missclark@homefieldprimary.co.uk](mailto:missclark@homefieldprimary.co.uk)

Yours sincerely,

Mr. Young  
Headteacher

Miss. Clark  
PSHE/RSHE Lead
