24<sup>th</sup> March 2021

Dear Parents/ Carers,

I am writing to make you aware that as part of our Science topic, The Circulatory System, I will be dissecting a pig's heart in front of the children on Friday. In groups, children will have their own pig's heart in order to label the anatomy. Children will not dissect the hearts. They will all be provided with gloves and aprons.

Children are free to leave the classroom at any point if they feel uncomfortable.

If you have any concerns or questions please do not hesitate to contact me.

Yours sincerely,

Miss Battle
