Dear Parents/Carers,

23.4.21

We, the J. L. T. (Junior Leadership Team), would like to inform you about a school Summer term project we wish to embark upon as part of our task to become courageous advocates. This means we want to play our part in raising awareness for different worthy causes and tackling social injustice. We have decided we must help broaden the appreciation for and acceptance of Diversity and part of this will be supporting the Black Lives Matter movement.

This letter is informing you about our plan to transform the playground gazebo into a colourful mural that promotes Diversity. We would like the pupils to create appropriate designs, tags, emblems and/or logos that show how Homefield celebrates diversity and loves difference. The best designs from each class will be chosen to go on to the mural, along with other designs made by J.L.T. Designs can be unique creations or developments on other existing images.

Pupils should use the A4 template provided (Diversity Project) to house their designs and hand them into their class teachers by **Friday 14th May**. Please ensure the designs fill the pages, so they are large enough to see.

We look forward to seeing all your efforts.

Yours sincerely,

Bradley Young
Headteacher
