Dear Parents/Carers,

8th June 2021

Welcome and thank you for registering your child for a place in our lovely Reception class. To continue our warm greetings to you, our Reception Team will be holding a virtual presentation session for our new Reception parents on **Thursday 17th June at 4:00pm**. Here the Reception staff will introduce themselves officially and explain all the important elements of our wonderful Reception setting to you.

As this is being undertaken virtually, we will be sending a text message to you asking you to complete an online Google Form with your contact information, particularly your email addresses. Once we have these, we will send a virtual meeting link to you. Our meeting will be held over Google Meet, so you can either download the relevant application to your tablet/computer or phone or simply use the meeting link information through your web browser at <https://meet.google.com/>

Staff will be sharing their computer screen with you as part of the presentation, so that you can see key information and images that support what they are saying.

There will be an opportunity at the end of the presentation to ask questions. If you prefer to ask them more discreetly rather than in front of others, please use the chat facility to type what you wish to ask or simply email the Reception staff after the meeting, who will follow these up in a timely manner, as several parents may have the same questions.

We hope technical issues do not cause a problem, but if there are, please do not worry.

We look forward to seeing you there.

Yours faithfully,

Bradley Young
Headteacher
